Enjoy your own piece of this
idyllic retreat

Nestled in amongst 20 acres of mature woodland on the outskirts of Grange-over-Sands and with breathtaking views across Morecambe Bay, Low Fell Gate Caravan Park is a friendly, family-run site that offers much more than a base from which to travel to the surrounding countryside.

At Low Fell Gate you have stunning countryside right on your doorstep, and with many wonderful walks to be had along the numerous footpaths that pass nearby, it is the perfect place for anyone seeking a picturesque, relaxing retreat with easy access to Windermere, Kendal and the rest of the Lake District.

A five minute drive will take you to the ancient village of Cartmel, famous for its racecourse and welcoming restaurants, pubs and cafes.

In addition, there are a number of well-known visitor attractions in the area, including Holker Hall & Gardens, Windermere Lake Cruises, Haverthwaite & Lakeside Railway and the Aquarium of the Lakes, as well as fishing, riding and golf all within easy reach.

The affordable way to own the holiday home *of your dreams*

With 68 spacious, well-maintained pitches designated for privately owned caravan holiday homes, and a range of options to accommodate your needs, Low Fell Gate Caravan Park gives you the freedom to experience the pleasure of holiday home ownership in one of the UK's most picturesque locations.

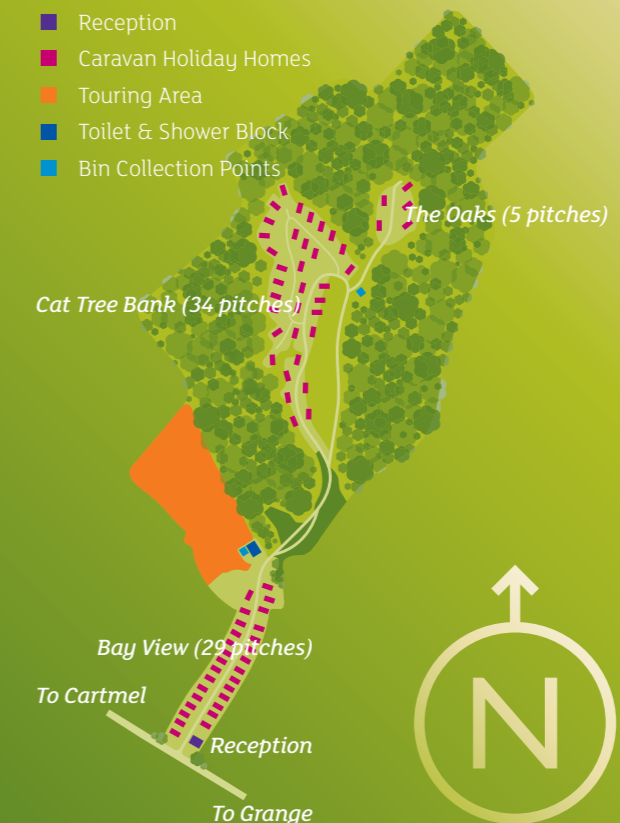

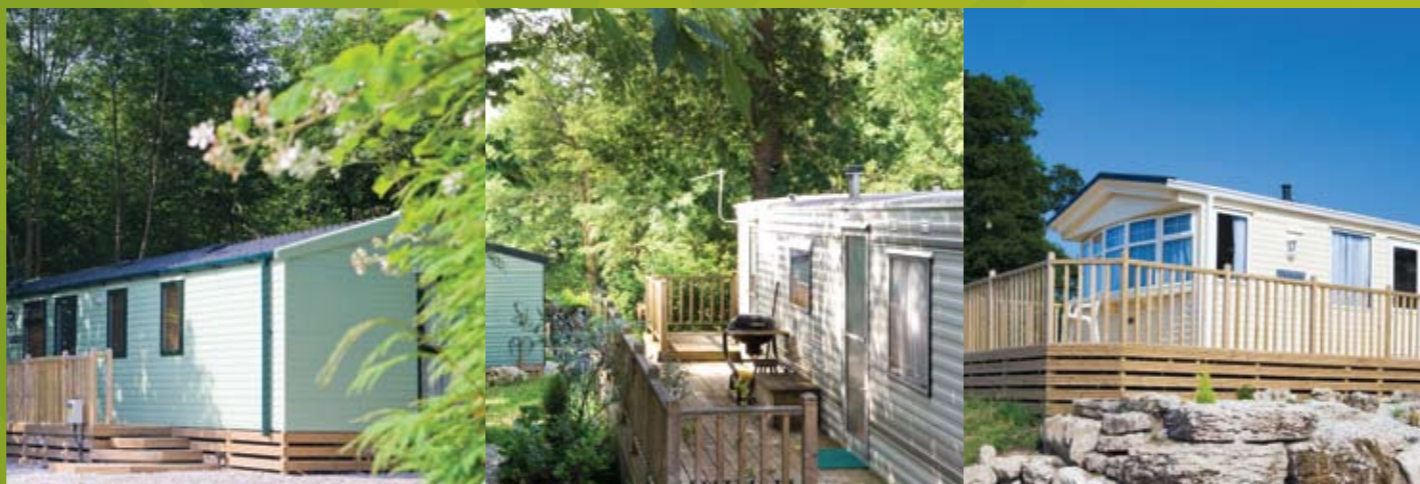

If you wish, you can place your own caravan on one of the pitches, either brought from another park or direct from one of our approved caravan dealerships.

Alternatively, you can purchase one of the caravans already on-site. Brand new and pre-owned luxury units are available for sale, all with a

high standard of fixtures and fittings.

All pitches are fully serviced (with electricity, water, drainage and parking) and incorporate either a patio garden or decking. In all cases, you simply need to pay the annual ground rent for the pitch.

The site is open for use from 1st March to 10th January, providing you with lots of time to savour your new-found holiday home lifestyle.

Inconspicuous pitches amongst stunning, *natural woodland*

All private pitches are located in peaceful regions of the park, separate from the touring visitors. Cat Tree Bank houses 34 pitches, which have been positioned both for privacy and seclusion in a natural woodland setting; Bay View houses 29

pitches, all of which have magnificent views of Morecambe Bay; and there are a further five pitches located in the scenic Oaks area of the park.
